

TRANSPORTATION FORUM
Turning the Curve on Access Issues
Date & Time TBD

DRAFT AGENDA

Convened by the Community Action Network and the Regional Transit Coordination Committee

Desired Outcome for Today's Forum

To identify and prioritize collaborative strategies to remove transportation barriers for the transportation disadvantaged in the 10-county Central Texas region.

- 9:00 AM** **Opening Remarks and Introductions**
- 9:20 AM** **Overview of Key Issues, Barriers, and Potential Solutions Heard at Previous Forums**
- 9:45 AM** **Overview of RTCC Initiative:** Empowering case workers, social workers, call center staff and other front-line staff with knowledge of the family of public transportation services available in the Capital Area.
- What services do customers need to be connected to?
 - What are the opportunities and barriers to consider?
 - Call to Action: Would your organization be willing to participate
- 10:45 AM** **BREAK**
- 11:00 AM** **Sustaining Transportation Supports during Challenging Economic Times**
- How can non-profits work better together to share and maximize resources?
 - Opportunities to connect transit, private, non-profit and other transportation service providers?
 - Consider 501(c)(3) model for resource development and technical assistance – How could transportation services providers benefit from such a model?
- 12:00 AM** **CONCLUDE**
