King County PSRC Transportation Needs Survey 10/9/09

Please return this survey to the person who gave it to you. **OVER**

In order to take advantage of Federal, State and Local funding opportunities that may address the transportation needs of children, low-income persons, people with disabilities and seniors, our King County area must update its "Coordinated Special Needs Transportation PLAN". This PLAN must identify some of the unmet needs for these populations. You can help identify those "unmet needs" by taking the time to fill out the survey.

Please return it by October 23.

Thank you very much.
